DR. AMY BREON
Assistant Principal

CHRISTINA BASON
District Superintendent

November 26, 2019

Mrs. Caputo:

I would like to express my sincerest gratitude for the various contributions you made to the Loyalsock Valley Elementary during your student teaching experience here in one of our 3rd grade classrooms. In just a few short weeks, the impact that you have had was impressive. Your devotion to the students in our school was highly regarded and appreciated.

On October 9, 2019, I had the opportunity to observe a lesson you taught on the history of Montoursville. Your planning and preparation of the lesson was evident as you were able to take the materials provided to you on the unit and enhancing them to increase student participation through the use of technology. Students were very excited to connect the concepts you taught them to the community in which they live. There was a high level of energy in the classroom, and you followed the classroom management plan for dealing with students who needed to be reminded to follow the established classroom procedures. In addition, you were able to assist students who may have needed some added support in completing the activity. Thank you for teaching me more about Montoursville!

Throughout your time in our building, you became part of our professional community. You have contributed to our growth through the insights you have shared. The calm, nurturing support you provided to a new student in the building, who was having some troubles transitioning to a new school, has had a lasting impact.

I am hopeful that you have gained value in the time that you have spent in our school, and will stay in touch as you take the next steps in your education. On behalf of the staff at Loyalsock Valley, we wish the you very best in your career in education.

Best regards,

Dr. Amy Breon
